## Treat Every Car Like A Classic

Chem Tech Solutions is an Automotive Preventative Maintenance Company.

We offer a full line of maintenance and detail products along with shop supplies. By partnering with LIGRA  we will be offering training and equipment at no cost to you. We know what works and would like to help increase your shops profitability in 2019. Your success is our success!

Come join us for dinner as we give away prizes, and help you increase your shops profits with these demos

- **Shop Supply Raffle (\$250 Value)**
- **Direct Injection Service Demo**
- **Headlight Restoration Demo**
- **Introduction to all products and equipment offered**
- **Best practice discussions with other shop owners**

**This is a Limited Seating event**

Please RSVP by February, 26th to our  
LIGRA office  
631-755-5550 or
